ABOUT US

As a community initiative, the Shining Honor Project has a two-fold purpose. SHP provides employment opportunities for adults with developmental challenges, while honoring our nation's servicemen and women. We partner with the Gatesway Foundation, A New Leaf, Lighthouse Christian Home and other caregiving agencies by providing funding for their clients to clean and restore headstones belonging to military veterans and their spouses. Through this process, we are able to honor those who have endured enormous sacrifices for our country. These projects give our Honor Team members an added sense of purpose, pride and value to their lives.

Honor Team members from A New Leaf working together to clean and restore veterans' headstones at Rose Hill Cemetery in Tulsa, Oklahoma.

HOW IT WORKS

Our process here at the Shining Honor Project starts with our valued partners. These non-profit organizations are committed to providing life-long care for adults with developmental disabilities. These individuals join together as Honor Team members to clean and restore veterans' headstones. Since beginning in Spring 2017, our Honor Teams have cleaned thousands of headstones in Oklahoma and in Spring 2018, started cleaning and restoring veterans' headstones in Montana.

TRAINING

Our Honor Teams have been professionally trained in proper headstone restoration. We exclusively use the same cleaning products approved by the National Park Service for use at Arlington National Cemetery.

SUPPORT SHINING HONOR

Donations are requested to be made to the Tulsa Community Foundation or the Whitefish Community Foundation on behalf of the Shining Honor Project. These community foundations serve as an additional resource to oversee the distribution of funds to the caregiving agencies for the benefit of the Honor Team members. All donations will be used exclusively for the benefit of the agencies and Honor Team members, and will not be used for any Shining Honor Project overhead or administrative expenses. Donors receive a tax-deductible receipt for 100% of the donation. Our donors can have confidence that their entire donation will go into the hands of those who need it most.
